#### **POLICY ON LESSONS & PACKAGES:**

1. Client has 2 months to complete pre-paid package; packages are non-refundable; certain extenuating circumstances (i.e. illness or family emergency) may warrant an extension to allow for a client to complete his/her lessons. We are unable to offer makeups, but provide the extra time to allow for students to use up their lessons over a two-month period.
2. Lesson package **MUST** be paid in advance in order to maintain discounted rate and guarantee the client's spot in lessons. If payment is not received by the first lesson of each package the lesson spot may be offered to other riders.
3. Riders can borrow a helmet, spurs and/or a crop for their introductory lesson, but will need to purchase these items once they begin their first set of lessons. We also rent this equipment at a fee of \$50 per month. It will be charged with the first package, however, if the student has their own equipment as of their first lesson it will be credited back the second month.
4. New students must complete a minimum of eight (8) tacking and untacking lessons. This will be charged separately from the lesson package as follows:
  - a. Intro Packages: \$80 for tacking/untacking lessons first month
  - b. Regular Lesson Package: \$160 for tacking and untacking lessons first month
  - c. If a student needs additional tacking/untacking lessons the instructor will let the student know how many at \$20 per tacking/untacking lesson.
5. Lessons are transferable to immediate family members only; otherwise, packages are non-transferable.
6. Once a student has completed four (4) lessons, they will be asked to purchase their own helmet, gloves, riding breeches, boots, crop and spurs. We can help you with these purchases.
7. We accept students in our lesson program from age 7 and up.
8. Students will not jump in the lesson program. Once a student has reached an intermediate level in the lesson program, they will need to move to the Pre-Training, Half Lease or Show Team.
9. Students remaining in the Lesson Program after a year may be able to continue, but students will be assessed case by case.
